

2022 State Campaigns

- Win
- Significant progress
- Loss
- In progress

	THE EDUCATION THAT'S RIGHT FOR YOU	TUTORING AND CARE FOR ALL	A WORLD OF OPEN AND CONNECTED LEARNING	A FAMILY'S RIGHT TO KNOW WHAT'S WORKING	A CLEAR PATH TO A CAREER
CAROLINACAN	Increase students eligible for special needs ESA				
	Enact changes to choice programs to increase enrollment by 10,000 students				
	Enable high-quality charter schools to remove enrollment caps more easily				
CONNCAN Additional wins: <ul style="list-style-type: none"> Successfully defeated efforts to curtail school year (already on there I think) Secured \$30m to expand mental health services in schools. State will audit what happened in remote learning during the pandemic. 	Continue to fight for student centered funding		Create more pathways for educators to be certified	Create an automatic mechanism to require districts to report federal spending	
	Restructure Minority Teacher Recruitment Taskforce			Increase independent parent voice in school improvement efforts	
DELAWARECAN Additional wins: <ul style="list-style-type: none"> Successfully enacted three bills related to early literacy which create multiple screenings a year to identify deficiencies and implement intervention tactics and which provide schools access to evidence-based reading instruction. 	Taking next steps to reform Delaware's school funding formula from a unit-based system		Designate broadband access as an essential utility	Codify language requiring districts to report how they spend federal money	
	Ensure educational equity for families across Delaware by outlining law expectations, engagements and options				
	Defend against any budget bill that will negatively affect ability for charter schools to effectively plan their budget				

	THE EDUCATION THAT'S RIGHT FOR YOU	TUTORING AND CARE FOR ALL	A WORLD OF OPEN AND CONNECTED LEARNING	A FAMILY'S RIGHT TO KNOW WHAT'S WORKING	A CLEAR PATH TO A CAREER
GEORGIA CAN Additional wins: <ul style="list-style-type: none"> Federal funding for charter facilities 	Improve and expand the statewide tax credit Expand teacher pipeline and teacher diversity programs Enact policies to increase the number of high-quality charter school seats	Ensure tutoring programs and after school learning programs are protected and track results	Expand learning opportunities for all children by creation of ESA or direct-aid program	Protect Georgia's system of high-quality assessments, accountability, evaluations and transparency	Align career pathways with high-demand industries
HAWAII KIDSCAN Additional wins: <ul style="list-style-type: none"> Coordinated the coalition effort that led to state investments in the state government and the University of Hawaii to close broadband/digital divide, as well as creating digital literacy programs. Key part of coalition efforts that created an Office of Wellness and Resilience to address trauma for students, and secured \$2m to provide free menstrual products in schools to help fight absenteeism and bullying. 	Update the requirements to serve on the state Board of Education	Provide grant funds to families to support with key educational needs	Let students more easily earn school credit from community-based programs and organizations	Remove barriers so more students can participate in career readiness programs Provide incentive funds to schools when students complete industry-recognized credential programs Enable computer science courses to count towards core graduation requirements	
JERSEY CAN	Ensure effective implementation of teacher certification pilot program Support stable and equitable school funding, including more equitable funding for charter schools Secure more equitable school facilities funding, including facilities funding for charter and renaissance schools or other policy changes to facilitate funding in the future	Maintain and enact education recovery policies through parent advocacy and other partnerships/coalitions		Ensure state fulfills new budget requirement on reporting on the use and impact of federal funds on student achievement	
NEW MEXICO KIDSCAN	Fund a quality teacher pipeline program Establish a revolving loan fund for charter school facilities	Pass constitutional amendment declaring a right to a quality education		Inform the public and policymakers how federal ARP funds are being used	

	THE EDUCATION THAT'S RIGHT FOR YOU	TUTORING AND CARE FOR ALL	A WORLD OF OPEN AND CONNECTED LEARNING	A FAMILY'S RIGHT TO KNOW WHAT'S WORKING	A CLEAR PATH TO A CAREER
TEN COLORADO Additional wins: <ul style="list-style-type: none"> Enacted universal pre-k 	Increase available high-quality seat options across the Denver Metro Region Protect Colorado's charter approval system	Ensure tutoring programs are protected and are tracking results	Provide direct aid to families to extend learning opportunities outside the classroom	Ensure that student progress is measured and communicated to families and community about all the ways their children are learning	Remove roadblocks to career pathways programs
TENNESSEECAN	Double facilities funding for charter schools Enact a student-based funding model Expand ESA eligibility statewide	Make tutoring and choice-based summer camps permanent	Create permanent direct payment to families for educational expenses	Defend accountability and transparency while providing parents access to information about all the ways their children are learning	Remove roadblocks to career pathways programs
